### 8-10PM. MEOW MIX

### 10-12AM. URBAN PROGRAM

### 12-2AM. URBAN PROGRAM

SUNDAY

### 6-8AM. MATZOMASALA

A crazy stew of Klezmer, Qawwali, Ghazal, Hindi pop re-mixes, Yiddish square dance, Indian classical, Bhajans, and other "hot trax" from the Jewish diaspora and Indian Subcontinent...all in one amazing show. O Yea! Party bar!

### 8-10AM. SOUL MUSIC FOR THE 90S WITH SPACE AGED CAPABILITIES

Music to fill your room and soul. Space-aged rock and pop, old school R&B, and a taste of indie.

### 10-12PM. GOT RICE?

100% great music with an Asian twist, whether it's made in America, or proud to be import... from pure to rap to Lata to Lunk. We've got more kick than Bruce Lee, more st. than Erra Lou, and more bounce than Michelle Kwon!

### 12-2PM. ROCK AND ROLL HOOTENNANY

Remember the days when Boys wore suits, girl groups ruled, and everyone sang along with the radio? We'll bring you back to those simpler times with the original rock, swank, pop, and Motown hits. And yes, you can twist to that!

Unique, educational, and entertaining...labor music, songs of international struggle, and songs with a radical political slant. Music has a form of resistance, means of organizing and motivating, and a call for social change.

#### 8-10PM, LEGENDARY PINK TUNES

Year the music of your generation... filled with noise, anguish, and more noise. 100% sarcasm. 100% slack.

#### 10-12AM, LEGACY OF BRUTALITY

Are you still stuck in the haze when Metallica had long hair? Before Sepultura broke up when Kerr was something you ate for dinner? Like Sarah and Niola the Wiggle Queen give you all the good shit; metal so heavy, it never made it into the periodic table. I get with the guys from Hampshire Co. House of Correction, they know what's up!

#### 12-2AM, DEATH TO FALSE METAL

Smooth, frenzied the energy of glam with bone of our nation's most chaotic of musical offerings. Rachel in elissa spir put nothing but the hits.
